

The **SelectUSA Investment Summit** promotes the United States as the world's premier investment destination and connects qualified foreign firms with U.S. economic development organizations (EDOs) to facilitate business investment and job creation.

The Investment Summit draws high-caliber attendees to help you make connections and get started on business deals:

- EDOs on site to share **business location intelligence**.
- **Pre-vetted potential investors** actively seeking business opportunities in the United States.
- Relevant service providers that can help investment **possibilities become realities**.
- C-Suite executives and government officials who can discuss the latest **policy and business trends**.

The Investment Summit is also an informational platform to learn about the U.S. business environment, industry trends, and new opportunities.

*Past Investment Summit participants
have announced*
\$98 billion
in new U.S. investment projects, supporting
150,500 U.S. jobs
